

YWCA Great Lakes Bay Region is #OnAMission to eliminate racism, empower women, promote peace, justice, freedom and dignity for all.

We invite you to support our mission by becoming a part of the 2017 Circle of Giving Women, benefitting and empowering women in the Great Lakes Bay Region.

This generous group of supporters help provide financial support for YWCA programs which focus on eliminating racism and empowering women here at home.

Through your tax-deductible \$125 contribution or more, you can help ease the struggle for local women by making sure that they receive information, guidance, and the essential tools they need to support their families and to reach their goals.
