

I SUPPORT THE GIRLS
GREAT LAKES BAY REGION, MI

Stock Up for Summer Supply Drive April 29 - May 31, 2024

Did you know? Many low-income families in our Region struggle to pay for feminine hygiene products. **In the US, 1 in 5 girls miss school, or women miss work, during their monthly cycle because they don't have supplies.**

I Support the Girls Great Lakes Bay Region, MI in partnership with the **YWCA Great Lakes Bay Region** is holding our **Stock Up for Summer Supply Drive** to provide low income or unhoused women and girls in Saginaw, Midland, and Bay Counties with care packages to aid in reducing barriers to economic success, like **period poverty**. No one should have to choose between feeding herself and her personal health & dignity.

We are accepting donations of pads, tampons, and new bras in all types and sizes.
